Directorate of Fisheries

Notification

DF/PLG/Bud/2013-14

Sub.: “Financial Assistance for purchase of
fuel (kerosene/petrol) to the fishermen
for operation of Out Board Motors”.

The Government of Goa is hereby pleased
to introduce the scheme for granting financial
assistance for purchase of fuel to the fishermen
for operation of Out Board Motors.

1. *Short title and commencement.*— (a) This
scheme may be called “Financial Assistance
for purchase of fuel (kerosene/petrol) to the
fishermen for operation of Out Board Motors”.

(b) It shall come into force w.e.f. 1st
December, 2012.

2. *Introduction.*— Fishing is one of the prime
industries of the State and it is only source of
livelihood of sizable community of traditional

fishermen who have been contributing
significantly to the fish production of the State.
These fishermen have been facing hardship
in getting a regular supply of fuel (kerosene/
/petrol) in the absence of any special quota
allotted to this industry.

Over the past few years these fishermen are
also undergoing economic strains due to over
rising cost of the fuel i.e. petrol & kerosene as
well as the depletion of fish catch. There has
been a persistent demand from these
traditional fishermen to provide them
subsidize fuel (kerosene/petrol) for their Out
Board Motor at subsidized rates. Therefore it
is proposed to grant financial assistance for
purchase of fuel (kerosene/petrol) to the fishing
canoe fitted with Out Board Motor of the State
of Goa through the network of Registered
Association/Societies of the fishermen.

3. *Objective.*— The main objective of the
scheme is to provide financial assistance for
purchase of fuel (kerosene/petrol) in order to
grant relief to the traditional fishermen to
overcome the financial losses suffered by them
on account of non-availability of kerosene in
the State and due to ever increasing cost of
the kerosene so as to enable them to sustain
themselves.

This scheme thus designed to support
fishing industry in the State of Goa and grant
financial assistance for purchase of fuel
(kerosene/petrol) consumed by them for the
purpose of fishing activities.

4. *Eligibility conditions.*— (a) The fishing
canoe should be registered under the Goa,
Daman & Diu Marine Fishing Regulation
Act, 1980 (Act No. 3 of 1981) and rules framed
thereunder.

(b) Should be member of Registered
Fisheries Co-operative Societies/Associations.

(c) Should possess a valid net license and
fishing license for the year.

(d) Shall not be a defaulter of the Directorate
of Fisheries.

(e) Shall not be a violator of the Goa, Daman
& Diu Marine Fishing Regulation Act, 1980

(Act No. 3 of 1981) and rules framed thereunder.

(f) The Vessel Registration Certificate of the canoe must have the OBM incorporated on it.

5. *Terms of sanction.*— (i) In case the applicant is using kerosene OBM than he/she shall produce a certificate of actual consumption of kerosene issued by G. R. E./Registered Fishermen Association. A register shall be maintained by the respective Co-operative Society/Associations recording the monthly consumption of the kerosene by individual member which will be verified by the authorized officials of the Department.

(ii) In case the applicant is using petrol OBM than he/she has to produce VAT bill/Voucher from authorized petrol pumps duly countersigned by G. R. E./Registered Fishermen Association/Society.

(iii) The fishing vessel/canoe and Out Board Motor shall exclusively be used for fishing activities only.

(iv) The subsidy amount shall be disbursed in favour of the applicant in his/her account through ECS mode of payment.

(v) Only OBM having 10 HP or below will be eligible for subsidy.

(vi) Subsidy shall be granted for the consumption of fuel i.e. petrol/kerosene for the period, from the month of August to May only.

6. *Quantum of Subsidy.*— The Fishermen using kerosene OBM shall be eligible for subsidy upto a maximum of Rs. 50,000/- (Rupees fifty thousand only) as follows:—

Quantity of kerosene consumed	Rupees
(1) 2000 litres	50,000/-
(2) 1500 to 1999	37,500/-
(3) 1000 to 1499	25,000/-
(4) 500 to 999	12,500/-

Fishermen using Petrol OBM shall be eligible for subsidy of Rs. 30/litre on a maximum consumption of 1200 litres of Petrol. Midyear shifting from Kerosene to Petrol is permitted on pro rata basis and once shifted cannot claim Kerosene subsidy again in future i.e. route of claim to petrol is one way route only.

7. *Budget.*— The required Budget provision shall be provided by Directorate of Fisheries under the Budget Head: “2405—Fisheries; 103—Marine Fisheries; 08—Financial Assistance towards Subsidy for Kerosene/Petrol (plan); 33—Subsidies; under Demand No. 66”.

Notification

DF/PLG/Bud/2013-14

Sub.: “Replacement of old kerosene OBM to Petrol OBM”.

The Government of Goa is hereby pleased to introduce the scheme “Replacement of old kerosene OBM to Petrol OBM for operation of fishing canoe”.

1. *Short title and commencement.*— (a) This scheme may be called “Replacement of old kerosene OBM to Petrol OBM for operation of fishing canoe”.

(b) It shall come into force from the year 2013-14.

2. *Introduction.*— Fishing is one of the prime industries of the State and it is only source of livelihood of sizeable community of traditional fishermen who have been contributing significantly to the fish production of the State.

Over the years the fishermen are finding it very difficult to manually operate the fishing canoes and are now fitting Out Board Motors to ease them from manual operation as it saves the time to go to & fro to the fishing grounds. This helps in reducing the post harvest losses also.

Due to non-availability of kerosene in the State it has become difficult for the traditional fishermen to operate the fishing canoes fitted with kerosene Out Board Motors. It is proposed to replace old kerosene OBM to petrol OBM. The cost of the Petrol Out Board Motors is very high and the fishermen are not able to afford to purchase the same. Therefore it is decided to provide them subsidy on replacement of old kerosene OBM to petrol OBM. It is also proposed to provide them a 2-stroke/4-stroke Petrol OBM which is environmental friendly and consumes less petrol. Further there will also be savings on subsidy on purchase of petrol @ Rs. 14,000/- (Rupees fourteen thousand) per OBM against kerosene.

3. *Objective.*— The main objective of the scheme is to provide subsidy on the replacement of old kerosene OBM to petrol OBM.

4. *Eligibility conditions.*— (1) The beneficiary should possess a registered fishing canoe.

(2) The OBM to be replaced through the scheme should have been incorporated on the registered fishing canoe.

(3) The canoe should be in operational condition.

5. *Terms of sanction.*— (1) Prior NOC from the Department to be obtained before purchase of OBM.

(2) The Out Board Motor purchased should have a Horse power of 10 Hp or below.

(3) The applicant shall not sell, lease mortgage or transfer the Out Board Motor for a period of five years from the date of purchase of the said OBM.

(4) The Out Board Motor purchased shall be operated exclusively for fishing purpose only.

(5) In case the OBM is purchased by the beneficiary, he/she shall submit the original bill from authorized dealer to claim the subsidy.

(6) The subsidy amount shall be disbursed in favour of the applicant in his/her account through ECS mode of payment in case the OBM is purchased by the beneficiary.

(7) The Department also reserves the right to purchase the OBMs and supply to fishermen on deposit of Rs. 30,000/- (Rupees thirty thousand) plus 2% of the cost of the engine.

(8) The OBM procured shall be incorporated in the VRC of the canoe.

6. *Quantum of Subsidy.*— Amount of subsidy to be paid is 98% under the scheme. However as Kerosene Engines were purchased by Fishermen from Government Subsidy and as the same was now to be replaced, the old Kerosene Engine has to be returned to the department. Thus the scheme is an upgrading of the Engines from Kerosene to Petrol. The value of subsidy for Kerosene engine were Rs. 30,000/- (Rupees thirty thousand) during earlier years and therefore to avoid the task of disposing of so many old kerosene engines, the subsidy was to be reduced by Rs. 30,000/- (Rupees thirty thousand) and the Canoe Owner be allowed to keep the engines or dispose the same as deemed fit by him.

The 98% subsidy on the 2-stroke/4-stroke engine shall be provided on payment of Rs. 30,000/- (Rupees thirty thousand) and 2% towards the cost of new engine.

In case the OBM is purchased by beneficiary from authorized dealer an amount of Rs. 30,000/- (Rupees thirty thousand) shall be deducted and 98% of the cost of engine shall be given subsidy limited to a maximum of Rs. 2.15 lakhs (Rupees two lakhs fifteen thousand) per OBM in case of 4-stroke petrol OBM and Rs. 1.30 lakhs (Rupees one lakh

thirty thousand) in case of 2-stroke petrol OBM.

7. *Applications.*— The owner of the fishing vessel/canoe shall apply to Directorate of Fisheries, Panaji with all the details as required by Directorate of Fisheries through the BDO of respective taluka for the purpose of availing the benefit of subsidy. The application form shall be available in respective Block Development Office (BDO), Village Panchayats and Head Office, Panaji.

8. *Budget.*— The required Budget provision shall be provided by Directorate of Fisheries under the Budget Head: 2405—Fisheries; 103—Marine Fisheries; 09—Financial Assistance for construction, purchase of outboard motors(P)(A); 52—Machinery & Equipment; under Demand No. 66.

This issues with the concurrence of the Finance Department vide their U. O. No. Fin (Exp.)/1476964 dated 03-06-2013.

By order and in the name of the Governor of Goa.

Dr. Smt. *Shamila Monteiro*, Director & ex officio Joint Secretary (Fisheries).
